Selecting a Piece for Your Ensemble

Not sure which pieces would be suitable for your ensemble?

In order to select the right music for your ensemble, Jatherinia provide approximate guides to the difficulty levels of each piece, duration of each piece, and a suggested instrumentation.

Found a piece you like, but it's not quite right?

If you like one of our existing pieces, but it doesn't quite meet the needs of your ensemble, we may be able to adapt it, to meet your requirements. Please email us with details of your ensemble.

Pushed for time, and don't know where to start looking for the right pieces?

As there are many pieces on the site, it takes time to find the one you like. Email us with details of your ensemble's instruments and approximate grade levels, and we will be happy to reply with a list of suitable pieces for you to consider.

Any other problems or queries? Please email us (enquiries@jatherinia.com), and we will try to help!

Commissioning a Piece of Music for Your Group

Jatherinia can compose a piece (or adapt any of their existing pieces) to meet the specific requirements of your ensemble.

Commissioning a piece is not expensive, as the copyright remains the property of Jatherinia Music Unlimited, and the piece will then be added to our library of music for sale. The name of the Commissioner or Dedicatee will also be displayed on all future scores and parts of the piece.

If you would like a quote for a commission, please complete our Commission Request Form, at www.jatherinia.com/commissions.html

Please note: Jatherinia do not arrange copyrighted material.

Written your own tune? Original melodies composed by pupils or teachers can be orchestrated and developed into a piece for your ensemble. Please visit Music By You, at www.mby.jatherinia.com for details.
